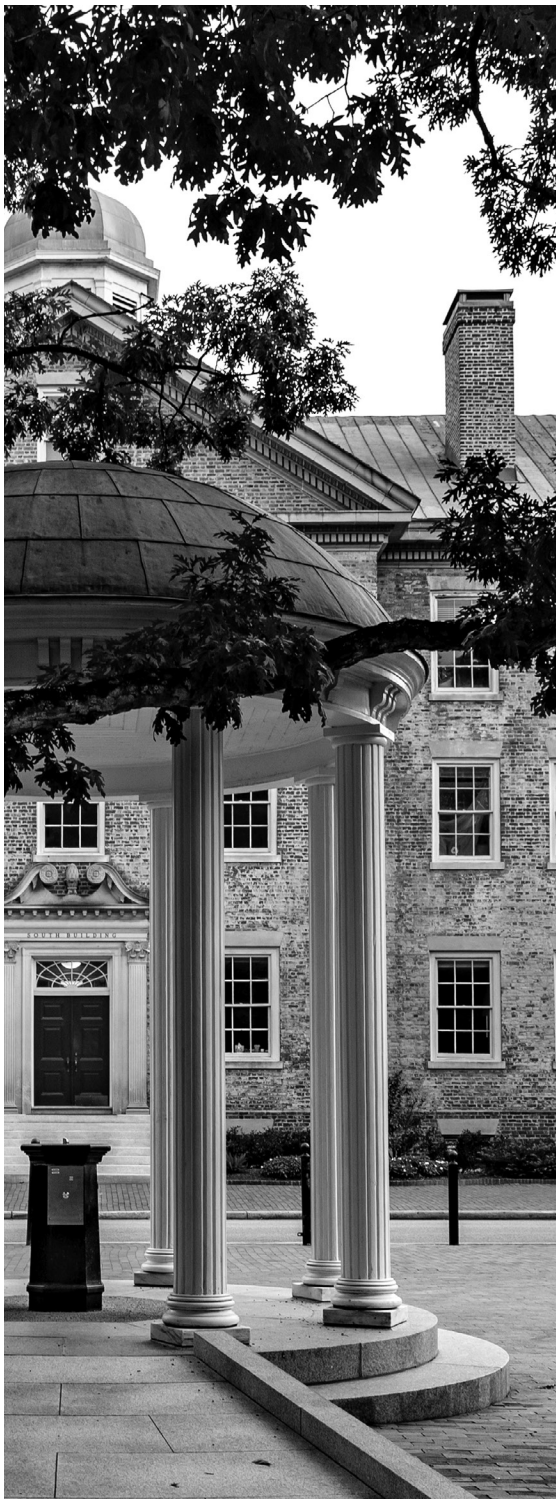
MESSAGE FROM THE CHANCELLOR



Welcome to your 2025 Spring Commencement.

Tar Heels, you made it. All of those late nights studying in Davis, writing papers, researching in the lab, and the hours of preparing for exams and presentations have paid off. Undergraduate, graduate, and professional students, you should be incredibly proud of yourselves for overcoming challenges and finishing strong. From your first sip at the Old Well to the Bell Tower Climb, your perseverance has brought you to this milestone of well-earned celebration.

To the families and loved ones of our graduates, we celebrate you as well. Your unwavering support, encouragement, and belief in these Tar Heels have molded them into the individuals they are today. Thank you for your presence in their lives, investing in their future and being a source of strength during this pivotal time.

Graduates, I hope you carry your Carolina experience with you always — cherishing the friendships, lessons, mentors, and memories that have shaped you. As graduates from the nation's first public university, I encourage you to continue fulfilling our mission of service by using your unique gifts to serve and strengthen your communities. I am confident that Carolina has equipped you with the knowledge and confidence to make a meaningful impact in our state and beyond.

The Class of 2025 will forever be an integral part of our university's rich history, graduating during its 230th academic year. Remember, your connection to Carolina doesn't end today. Wherever life takes you, there are countless ways to stay engaged with this remarkable community. We are all cheering you on, and we are eager to see what you accomplish.

Congratulations and Go Heels!

ALMA MATER

The words of "Hark the Sound," UNC–Chapel Hill's alma mater, were written in 1897 by William Starr Myers, a graduating senior. The Glee Club director asked Myers to put words to the tune "Amici," and the song was first performed on June 2, 1897, as part of the Glee Club's Commencement performance in Gerrard Hall.

Soon the song was almost forgotten. When a University quartet tried a few years later to remember the words, they could recollect only the first verse and the chorus of Myers' original version. Two members of the quartet, Charles S. Mangum and Charles T. Woollen added two verses to the one they remembered. Mangum later became a professor in the School of Medicine, and Woollen worked as the University's business manager and comptroller.

HARK THE SOUND

Hark, the sound of Tar Heel voices
Ringing clear and true,
Singing Carolina's praises,
Shouting N.C.U.!

Hail to the brightest star of all!
Clear its radiance shine!
Carolina, priceless gem,
Receive all praises thine.

COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT

MIA HAMM

Doctor of Laws

Mia Hamm is widely regarded as the best women's soccer player in history and one of the most recognizable female figures in the history of sport. Hailed by ESPN as the greatest female athlete of the past 40 years, Hamm was the youngest woman to ever play in a match for the U.S. Senior Squad at just 15 years old. She is well known at Carolina as a member of the Tar Heel women's soccer team that won four consecutive NCAA championships. Hamm notably set the NCAA women's soccer scoring record with 278 points.

She is also known across the globe as a soccer superstar who led the U.S. teams that won two FIFA World Cup championships and two Olympic gold medals — both inaugural teams in the sport. Her success on the field has garnered numerous accolades, including National Player of the Year (twice), ACC Player of the Year (thrice), ACC Female Athlete of the Year (twice) and FIFA World Player of the Year (twice). Hamm was inducted into the National Soccer Hall of Fame in 2007 and was the first woman inducted into the World Football Hall of Fame. Currently, Hamm is a part owner of Major League Soccer's Los Angeles Football Club and the expansion franchise, Angel FC of the National Women's Soccer League.

Shortly before retiring from soccer in 2004, she founded the Mia Hamm Foundation in honor of her brother who died from a rare blood disease. The nonprofit organization is dedicated to two goals: raising money and awareness for families in need of a marrow or cord blood transplant and developing opportunities for young women in sports. Hamm is known as an outspoken advocate for Title IX and gender equality, making her an inspiration to young girls looking to rise to the pinnacle of the sporting world.

HONORARY DEGREE RECIPIENT

JAMES LOWE PEACOCK III

Doctor of Laws

As one of America's leading anthropologists, James Peacock has produced path-breaking scholarship on expressive culture, symbols and religion over the past 50 years. He has written important ethnographies of Southeast Asia and the American South, as well as general works on anthropology and globalism. In addition to being a prolific scholar, he has been an exemplary citizen within the University and his discipline, serving as chair of the UNC–Chapel Hill faculty and president of the American Anthropological Association. He is also renowned as an exemplary instructor and mentor.

Peacock joined Carolina's faculty in 1967, shortly after earning a doctorate from Harvard University. During his nearly five decades as a faculty member, he amassed a strong record of University service, including serving as chair of the faculty, directing the University Center for International Studies and Carolina Seminars, co-directing the Duke–UNC Rotary Center for Peace and Conflict, and chairing the anthropology department. He was an important voice and participant in Carolina's strategic efforts to globalize during the 1990s. On the domestic front, he was instrumental in the founding of UNC's Center for the Study of the American South, working closely with its first director to persuade the University's administration of the need to revive Southern Studies on a campus that had once been the epicenter of such work.

As a faculty member, Peacock received many honors, including the General Alumni Association's Faculty Service Award, the Thomas Jefferson Award, a Johnston Award for Excellence in Teaching, the Employee Forum Community Award for Improvement in Faculty-Staff Relations, a Massey Award, and induction into the Order of the Golden Fleece. He continues to remain active as a scholar and community member.

HONORARY DEGREE RECIPIENT

CEREMONY DETAILS

THE CHANCELLOR'S MEDAL

The chancellor's medal, an emblem of the office of chancellor, is worn during the University's ceremonial occasions. The sterling silver disk, which is three inches in diameter and seven ounces Troy weight, was given to the University by John Sanders, professor emeritus and former director of the UNC Institute of Government, and his wife, Ann Beal Sanders. Modeled by sculptor Pete Hinton and bearing the University seal, it was first worn by Chancellor Paul Hardin during the 1994 University Day convocation. The medal was recently updated with a silver chain of office that includes thin rectangles engraved with the names and dates of service of previous UNC chancellors. It also features links made in the shape of the Old Well and the Davie Poplar leaves, both icons of the Carolina campus.

THE BICENTENNIAL STAFF

The faculty marshal carries the bicentennial staff while leading the faculty processional on ceremonial occasions such as Commencement and University Day. The staff, commissioned for the University's 1993 bicentennial celebration by John Sanders, professor emeritus and former director of the UNC Institute of Government, and his wife, Ann Beal Sanders, was modeled by sculptor Pete Hinton. It consists of a sterling silver three-inch-high replica of the Old Well mounted on a turned and tapered oak shaft. The shaft was made from timber salvaged from the 1822 section of Old West residence hall during its 1991–1993 renovation.

UNIVERSITY COLORS

As symbols of unity among Carolina students, alumni and fans, the school colors of light blue and white were first used around 1800 to distinguish between members of the Dialectic and Philanthropic Literary Societies. Throughout the 19th century, students were required to be members of either the Di or the Phi. The Di's color was light blue, and the Phi's was white.

At University commencements, balls and other social events, the student officials, managers and marshals wore the color of their society, blue or white. Because the chief marshal or chief ball manager represented the whole student body, not just his society, he wore both colors.

When the University fielded its first intercollegiate athletic teams in 1888, the question of what colors to wear had already been answered. Light blue and white had come to symbolize membership in the University, not in a single society.

THE UNIVERSITY SEAL

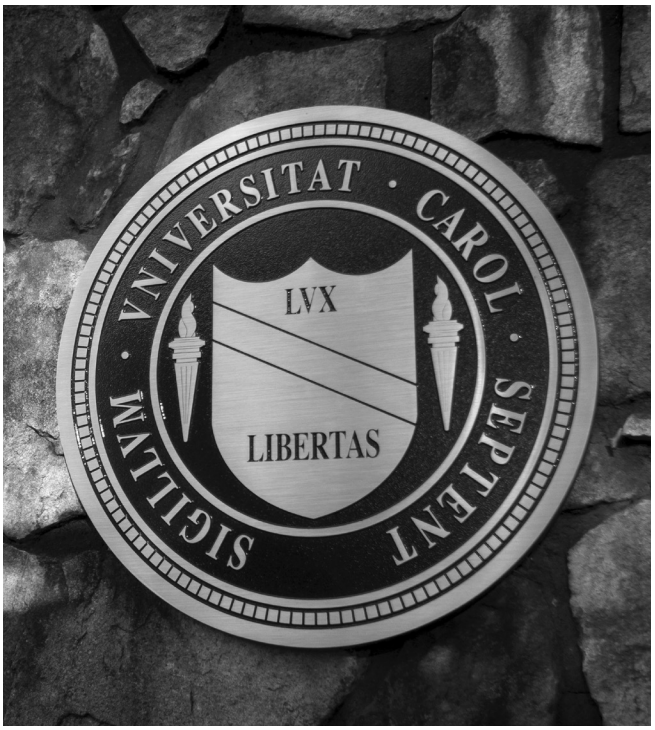
The University seal typically appears on diplomas and graduation materials, grade transcripts and documents that indicate accomplishment in or on behalf of the University.

The first seal of the University of North Carolina, designed in 1790, showed the face of Apollo and his emblem, the rising sun, used to symbolize the dawn of higher education in the state. The words "SIGUL UNIVERSITAT CAROL SEPTENT" (Seal of the University of North Carolina) surrounded the drawing.

A modification in 1895 added lighted torches of learning beside Apollo's profile. Two years later another alteration replaced Apollo's head with a shield on which the words Lux (light) and Libertas (liberty), separated by a white band running from the upper right to the lower left of the shield, appeared.

In the 1940s, some observers mistakenly claimed the white stripe on the shield was a bend sinister, a heraldic code that was demeaning. In truth, the stripe was a bar sinister and merely denoted a second or later son. Still, the direction of the stripe was reversed, removing any question of stigma.

Today's seal is the same as the 1897 version, except the stripe runs from the upper left to the lower right.



ACADEMIC DRESS

The following information, based in part on An Academic Costume Code and Ceremony Guide (published by the American Council on Education), may be helpful in identifying academic attire worn during UNC's Commencement exercises.

DEGREE CANDIDATES' REGALIA

The University's bachelor's gown, designed by Alexander Julian, is both Carolina blue and truly green, as in sustainably made. The fabric for the True Blue gown is made from 100 percent post-consumer recycled plastic bottles (23 bottles for each gown) and is manufactured at mills in the Carolinas. The information about the gown's sustainability is suitably printed directly on the cloth, without the use of an extra label. In addition to being dyed a custom Carolina blue color, the True Blue gowns also have a streamlined fit, with white piping along the yoke and two white panels in front. The tassels are blue and white, topped with a silver-colored Old Well medallion. An optional accessory is an embroidered white stole that the graduate may give to a parent in gratitude after the Commencement ceremony.

The untrimmed, black master's gown has a hood and an oblong sleeve, open at the wrist, that hangs nearly to the ground; the back part of its oblong shape is square cut and the arc in the front is cut away. The hooded doctoral gown features three bars across each sleeve. In 1999, the Faculty Council authorized a special doctoral gown for Carolina graduates. It is Carolina blue, with facings and crossbars of dark blue outlined in white piping. The facings bear the shield of the University supported by the torches of learning.

The hoods of master's and doctoral degree candidates vary in color according to the field of study (see list on the right).

FACULTY REGALIA

Faculty wear the regalia of the institution that conferred their highest degree. The doctoral gowns are usually faced with black velvet, although the color of the velvet may vary according to the field of study. Hoods, which differ in length according to the level of the degree held, are lined with official colors of the university or college that conferred the degree, usually with one color forming a chevron pattern over the other. Some colors you will see on faculty and administrators' robes are, for example, the crimson of Harvard, the maroon of Chicago, the orange and black of Princeton, the dark blue of Yale, and the light blue and white of North Carolina.

Like the hoods of master's and doctoral degree candidates, faculty hoods are edged and bound with velvet in the color appropriate to the field of study. The colors in the hoods and gowns of faculty and administrators represent the fields in which degrees were taken.

THE BELL TOWER

The Morehead–Patterson Memorial Bell Tower was given to the University in 1931 by John Motley Morehead III and Rufus Lenoir Patterson. Its 14-bell carillon rings both manually and electronically to call students to class, provide twilight music and serenade the dispersing crowd after football games.

CANDIDATES FOR BACCALAUREATE DEGREES

MAY 2025

DEGREES WITH DISTINCTION

To graduate with distinction or with highest distinction, undergraduate students must have completed at least 45 academic hours at UNC–Chapel Hill and have an overall grade point average of at least 3.5 or 3.8, respectively.

HONORS CAROLINA

Honors Carolina is an outstanding collection of courses, special events, and learning opportunities geared toward the top students at Carolina. It is the University's way of investing in exceptional undergraduate students by providing academic and non-academic challenges and opportunities, both inside and outside the classroom. Honors Carolina students receive priority registration for more than 160 Honors courses each year. These are small classes, taught by professors who encourage classroom discussion and hands-on research.

Students who wish to graduate from Carolina "with Honors" or "with Highest Honors" must complete a senior honors thesis project in their major field(s) of study. Such students need not have been members of Honors Carolina. They must, however, meet academic eligibility standards set by Honors Carolina and the individual departments, curricula, and professional schools that sponsor senior honors thesis programs. Senior honors thesis students must complete an original and substantial research, performance, or creative project under direct supervision by a faculty advisor. Upon the completion of their projects, students must pass an oral examination or other appropriate form of evaluation.
